

## QUALITY POLICY

The continuing Policy of the National Road Operating & Constructing Company Ltd. is to implement toll highways and related infrastructure to assist economic expansion and strive to meet the requirements of our Stakeholders.

The Organisation;

- has a Policy of setting Quality Objectives in line with the framework laid down within our Quality Management System and the strategic direction of the Company. These objectives will address the risks and opportunities as determined by Top Management.
- is committed to satisfying applicable requirements by ensuring that relevant customer, statutory and regulatory requirements are determined, understood and consistently met.

The Management Team will show leadership and commitment, and bear the responsibility for maintaining and continually improving the Quality Management System.

The Quality System will be monitored, measured, evaluated and enhanced regularly under the Top Management's ultimate responsibility, with regular reporting and communication of the status and effectiveness at all levels. This will result in securing efficiencies, a strong customer focus and enhancement of the Organisation's sustainability.
