

NOTIFICATION OF PUBLIC CONSULTATION

The National Road Operating and Constructing Company (NROCC) Limited, Grantors for Highway 2000 has published the findings of Environmental Impact Assessment Study for the proposed Montego Bay Perimeter Road Project.

Given the restrictions on public gatherings we will await directives from the Government of Jamaica when a public face-to-face meeting is permitted. In the interim, we have made the report available for the general public to review the findings and submit their questions and comments.

Hard Copies are available at the following locations:

- i. St. James Municipal Corporation, Union Street, Montego Bay, St. James.
- ii. St. James Parish Library, Megre Bay Road, Montego Bay, St. James.
- iii. Montego Bay Chamber of Commerce, Billy Craig Building, Fairview Business Centre, Montego Bay.
- iv. Anchovy Branch Library, Anchovy Main Road, St. James.
- v. National Works Agency Western Regional Office, Flankers, St. James.
